6) Fieber moved, seconded by Rhody to declare the DNB National Bank and First Bank and Trust Toronto Branch as the official depositories for the county and the Clear Lake Courier as the official newspaper for Deuel County and any area paper of greater circulation as needed. All voted yes and the motion carried.

7) Homan moved, seconded by Rhody to reappoint Mike Lammers and Kevin DeBoer to the Planning and Zoning Board for another three-year term. All voted yes and the motion carried.

Appointments

Item #1 Highway Superintendent Jamie Broksieck

Broksieck presented a Banner Associates report on Lake Cochrane map for right of way. The board will review and put on agenda for next meeting.

Item #2 9:30 Joint Meeting with Zoning Board on Amendment to Ordinance

The Planning and Zoning Commission, Mike Dahl, Mike Lammers, Kevin DeBoer, and Jay Grabow, along with the Commissioners, held a public hearing on the adoption of #B2022-01-10, An Ordinance Establishing Zoning Regulations For Deuel County, South Dakota, And Providing For The Administration, Enforcement, And Amendment Thereof, In Accordance With The Provisions Of Chapters 11-2, 1967 SDCL, And Amendments Thereof, And For The Repeal Of All Resolutions And Ordinances In Conflict Herewith.

BE IT ORDAINED by the Board of County Commissioners of Deuel County, South Dakota: that Article XII, "General Requirements," Section 1215 Wind Energy System (WES) Requirements, Section 1215.03 General Provision, adopted by Ordinance B2022-01, as amended, of the Zoning Ordinance of Deuel County be amended by adding language in bold and underline and removing strikeout language:

14. Permit Expiration. The permit shall become void if no ~~substantial~~—actual construction has been ~~completed~~ commenced within three (3) years of issuance.

BE IT ORDAINED by the Board of County Commissioners of Deuel County, South Dakota: that Article XII, "General Requirements," Section 1241 Solar Energy System (SES), Section 1241.05 General Provision for Solar Energy System, adopted by Ordinance B2022-01, as amended, of the Zoning Ordinance of Deuel County be amended by adding language in bold and underline and removing strikeout language:

14. Permit Expiration. The permit shall become void if no ~~substantial~~ actual construction has been ~~completed~~ commenced within three (3) years of issuance.

BE IT ORDAINED by the Board of County Commissioners of Deuel County, South Dakota: that Article II, "Definitions" adopted by Ordinance B2022-01, as amended, of the Zoning Ordinance of Deuel County be amended by adding language in bold and underline:

Actual Construction: Construction materials are being permanently placed and the construction work is proceeding.

This ordinance shall become effective upon the date of publication of this notice in the official newspaper, thereby repealing all ordinances or parts thereof in conflict herewith unless a referendum in timely involved prior thereto. Discussion was had on the ordinance.

The Zoning and Planning Board recommend approval to the Board of County Commissioners. The Board of Commission held the first reading of Ordinance B2022-01-10. 8) Mewherter moved, seconded by Fieber to set the second reading for Ordinance B2022-01-10 on January 20th, 2026 at 9:30 AM. All voted yes and the motion carried.

Item #3 Jacob Beutler

Beutler asked the commission to waive a \$900 appeal fee for a conditional use permit that was granted last year. Lammers says no fee should be waived. Grabow explained if the reason Beutler is appealing is due to our procedure is one thing, but if he's appealing Theisen's decision is another. 9) Fieber moved, seconded by Grabow to waive the \$900 appeal fee. Roll call vote was cast: Homan-nay, Mewherter-nay, Fieber-nay, Rhody-nay, Grabow-nay. Motion dies at roll call vote. Beutler stated he will pay the fee and appeal anyways.

Item #4 CLAD Director Deb Adkins

Adkins gave the 4th quarter report and asked for quarterly funding. Fundraising has given CLAD the opportunity to give a quarterly grant to any Deuel County business for new signage. The Clear Lake Firemen's Dance is where the funding for the grant has come from. The new company, Branded Prairie Company, received the grant for the last quarter in 2025. Adkins explained they continued with paid membership with Dakota Resources as it gives guidance and ideas. The organization continues to grow and support all economic developers across the state. Adkins explained she will attend conference in Pierre soon and hopes to learn just as much as last year. Adkins is working on a USDA grant for Deuel County. It will grade our county for future businesses and manufacturers. The Biofuel Development Opportunity Zone Initiative (BDO) grades the area for a shovel-ready specific region for project development. The project is based on whether the grant is awarded. 10) Homan moved, Mewherter seconded to approve first quarter funding for CLAD in the amount of \$5000. All voted yes and the motion carried.

Item #5 Dennis Evenson

Evenson was recognized by Deuel County and the South Dakota Department of Veteran Affairs for his 40 years of service as the Deuel County Veterans Service Officer. Evenson gave a speech discussing his time as the VSO and how he thoroughly enjoyed working with everyone he came into contact with. He explained some of the simplest discussions over coffee could lead to claims being paid out to veterans in need. Deuel County thanks Evenson for his service for the past 40 years.

Old Business

The board discussed the questions brought up about the data center at the December 31st meeting. Those questions and/or concerns are:

1. Will our Sheriff's department handle the construction phase?
2. Will our ambulance service handle the workload?
3. Will our fire department handle the workload?
4. How do they handle rain on a 1.8 million square foot roof?
5. What will they do to asphalt and gravel roads?
6. Where will the transmission lines run?
7. Will they deplete our gravel supply?
8. Will they need more power plants?
9. Land is Ag, will this raise the price of land so only outside investors can afford it?
10. Will the lights prohibit seeing the stars, light pollution?
11. What assurances do we have that this will not cause black outs?
12. What health concerns are there?
13. Why hasn't there been a better system to notify residents?
14. The 765kV line will cut through our county and why not leave it in Minnesota?
15. What is going to be done to control drugs from construction workers?
16. What are we going to do to keep the EMS staff from being overloaded?
17. Why are our taxes the same as Florida?
18. Are the commissioners out of touch?
19. Are the commissioners listening to other elected officials?
20. Is AI really good for our community?
21. Why aren't the meetings live streamed?
22. Why aren't the meetings at night?
23. What can we do about the red flashing lights around Toronto?

24. Have you checked out Loudoun County VA?
25. Is the county ready for the issues with the workforce that is coming (Drugs)?
26. How do we keep from losing our natural world, Keep life simple?
27. How much water is going to be used?
28. What options do we have if they use more?
29. We need to preserve Ag Land.
30. What effect has data centers had on other areas?
31. Will AI cause government corruption?
32. Why do we want to lose the lifestyle we have today?
33. Our way of life is a resource. How can you negotiate for that?
34. Will our electric rates go up?
35. Why do we want to do this only a handful of people want it other than the elected officials?
36. AI advertising is everywhere, can we reinforce citizens values?
37. Can we hire a consultant to advise us on this project?
38. Will HD be supplying power for this at anytime?
39. Can the company file bankruptcy and get out of commitments?
40. Who is responsible for the building if the AI thing goes away?
41. Can it be moved to Sioux Falls instead of here?
42. Is there a conflict of interest for two of the commissioners?
43. How can the assisted living center be staffed if the Good Samaritan couldn't staff theirs?

The commission discussed they will start working on getting answers to the questions and concerns. Grabow stated we need to learn from previous projects and try and do right this time around.

Steve January talked about the transmission lines that will go through his property which he is concerned about. January suggested a 2000 foot set back from the lines if they allow them because of health concerns. There was acknowledgement that the PUC can override his decision but they do take local ordinances into consideration.

Mary Nosbush stated once the powerline puts in their application, zoning ordinances freeze. Nosbush suggested since we have no ordinance currently, that the zoning board needs to work on this urgently. Discussion on the powerline set backs will be on January 13th at 6:30 PM at the zoning board meeting.

Borg talked about public safety aspect of the data centers. He was contacted by an elected official to talk about his concerns for public safety. Borg encouraged commissioners to be at the meeting for the ambulance, fire chiefs, law enforcement and this elected official to work on a plan.

11) Rhody moved, seconded by Mewherter to transfer funds to the Highway fund for \$1,000,000 and \$14,000 for the Civil Defense fund for 2025 in year end work period 13. All voted yes and the motion carried.

New Business

12) Rhody moved, seconded by Homan to reimburse Sheriff Deputies, Sheriff Admin Assistant, Director of Equalization, Auditor, and Janitor \$50 for cell phone. All voted yes and motion carried.

13) Mewherter moved, seconded by Fieber to pay Zoning Board members \$150 per meeting plus mileage. All voted yes and the motion carried.

14) Rhody moved, seconded by Fieber to allow auditor's office to pay claims early, license or tax payment overage, if necessary, before a commission meeting, in order to avoid late payment fees. All voted yes and the motion carried.

15) Homan moved, seconded by Fieber to approve the Salary Resolution 26-01. All voted yes and the motion carried.
