Regular Meeting

The Deuel County Commissioners met in regular session on September 16, 2024 at 9:00 AM in the Commission Room of the Courthouse with Chairman Jay Grabow presiding. Those present were Commissioners Jay Grabow, Scott Fieber, Harry Mewherter and Judith Homan. Steve Rhody was absent. Also present was Auditor Courtney Parker. The meeting began with prayer and the Pledge of Allegiance. 1) Mewherter moved, seconded by Homan to approve the agenda as presented. All voted yes and the motion carried. 2) Homan moved, seconded by Grabow to approve minutes from August 6th and 20th. All voted yes and the motion carried.

Appointments

9:00 AM – Highway Superintendent Jamie Broksieck

Broksieck talked about the 5-Year-Road and Bridge plan. Public member Kevin Gross stated he would like the Lake Cochrane Road redone. Grabow explained that it is very expensive without grant plans. Broksieck has plans to resurface that road in 2027. Gross stated the resurfacing will help the road. Gross added many residents want a walking path. Grabow stated that the residents of Lake Cochrane need to get a plan to present to the board. The commissioners are open to discussion on the topic. Broksieck stated that he doesn't know what the base of the road is like due to all the construction that has gone on out there.

9:30 AM – Banner Project Manager Mark Junker

Junker gave a presentation on the 2024 Bridge Inspections. Junker stated that all bridges rated poor go into the 5-year road and bridge plan to get replaced/repared. Bridges have to be listed in the 5-Year Road and Bridge Plan to be eligible for the BIG program grant funds. There are 40 bridges in Deuel County and 10 are in poor condition, up one from last year. Two of the poor conditioned bridges are on dead end minimum maintenance roads. There are 30 remaining bridges broken into two groups; 15 fair, 15 good. Nine bridges have weight limit restrictions. Four bridges are set to be replaced/repared within the next four years. All bridges are on a point scale rating their condition. Grabow asked since there are five bridges that sit at 42 points (50 needed to be approved for the BIG program) should we buy the points so they are eligible to be replaced/repared? Junker stated you can buy points one of two ways. 1: by paying Banner to do the bid ready designs or 2: by paying 50% of the construction costs. Grabow asked what's the average cost of design? Junker stated the average is \$70,000. Grabow stated since we are over the 40% allotted funds in the budget and we will have to allocate funds at the end of the year anyways, we should try and buy points to get the five bridges over the 50-point mark to be eligible for BIG funds. Junker brought up another topic of discussion. The bridge railings have been ruled not safe due to the shelving problem on the railing. There was one death in Codington County due to the shelving railing problem. Grabow stated we need to get quotes to fix the railing issues.

10:00 AM – Adoption of 2025 Annual Budget

3) Fieber moved, seconded by Mewherter to approve and adopt the 2025 Annual Budget. All voted yes and the motion carried.

10:15 AM – Joint Meeting B2022-01-07

The Planning and Zoning Commission, Dennis Kanengieter, Mike Dahl, Mike Lammers and Jay Grabow, along with the Commissioners, held a public hearing on the adoption of Ordinance B2022-01-07, An Ordinance to amend that Article II, “Definitions” adopted by Ordinance B2022-01, as amended, of the Zoning Ordinance of Deuel County be amended by adding language in bold and underline and removing strikeout language:

Article XII, “GENERAL REGULATIONS” **Section 1247. Public and Private Utilities;**

Section 1247.01. Applicability.

The requirements of these regulations shall apply to all Public and Private Utilities facilities.

Section 1247.02 Federal and State Requirements.

All Public and Private Utilities shall meet or exceed standards and regulations of the South Dakota State Statutes and any other agency of federal or state government with the authority to regulate Public and Private Utilities.

Section 1247.03. General Provisions.

1. Mitigation Measures

a. Roads

i. Public Roads. Prior to commencement of construction, the permittees shall identify all state, county or township "haul roads" that will be used for the Public and Private Utilities project and shall notify the state, county or township governing body having jurisdiction over the roads to determine if the haul roads identified are acceptable. The governmental body shall be given adequate time to inspect the haul roads prior to use of these haul roads. Where practical, existing roadways shall be used for all activities associated with the Public and Private Utilities. Where practical, all-weather roads shall be used to deliver cement or concrete, and all other heavy components to and from the Public and Private Utilities sites.

ii. The permittees shall, prior to the use of approved haul roads, make satisfactory arrangements with the appropriate state, county or township governmental body having jurisdiction over approved haul roads for construction of the Public and Private Utilities for the maintenance and repair of the haul roads that will be subject to extra wear and tear due to transportation of equipment and Public and Private Utilities components. The permittees shall notify the County of such arrangements upon request of the County.

2. Setback

Noise.

a. Noise level for residences shall not exceed 45 DBA, average A-Weighted Sound pressure. The noise level is to be measured at the perimeter of existing residences. The property owners shall have the right to waive the respective setback requirements, the waiver needs to be in writing and filed with the Zoning Office

Article XI, "Zoning Districts," Section 1102 "CI" Commercial/Industrial District, Section 1102.04 Conditional Uses, 7. Public and Private Utilities; **provided they meet the requirements of Section 1247;**

Discussion was had on the ordinance. The Zoning and Planning Board recommend approval to the Board of County Commissioners. The Zoning and Planning Commission adjourned and the Board of Commission held the first reading of Ordinance B2022-01-07. 4) Mewherter moved, seconded by Fieber to set the 2nd reading for Ordinance B2022-01-07 on October 1st at 10:00 AM. All voted yes and the motion carried.

10:45 AM – Joint Meeting B2022-01-08

The Planning and Zoning Commission, Dennis Kanengieter, Mike Dahl, Mike Lammers and Jay Grabow, along with the Commissioners, held a public hearing on the adoption of Ordinance B2022-01-08, An Ordinance to amend that Article XIII, “Concentrated Animal Feeding Operation Regulations” adopted by Ordinance B2022-01, as amended, of the Zoning Ordinance of Deuel County be amended by adding language in bold and underline and removing strikethrough language:

- Two (2) or more CAFOs under common ownership are a single concentrated animal feeding operation if they adjoin each other (within one mile) or if they use a common area or system for disposal of manure. Required setbacks for the two (2) or more CAFOs treated as a single operation shall not be less than the minimum setback required for each operation if said operations were treated as individual operations.
- Established residences do not include any residence established after June 3, 1997 less than one-half (1/2) mile from any Concentrated

- Animal Feeding Operation which was active at the time of the residence's construction.
3. The Board of Adjustment may allow a setback of less than the minimum required provided a written waiver by the entity deriving the benefit of the setback is filed with the application
 4. The Board of Adjustment may utilize Section 1304.7 to increase or decrease the required setback.
 5. Setback does not apply to the wells of the CAFO operator.
 6. Established private water wells refer to wells used as a source of potable water for human consumption for at least one (1) week within one (1) year prior to application date for the proposed CAFO.

7. The Board of Adjustment may require a lesser setback if the well is upgradient and greater setback if the well is downgradient from the concentrated animal feeding operations exceeding 7,499 animal units. This may be used to change the setback from the CAFO to a well or public water supply.

7. Exemptions to Separation and/or Setback Distance Requirements

- f. All Concentrated Animal Feeding Operations in operation prior to **July 1, 2022** **October 1, 2024** which do not comply with the required minimum setback/separation requirements, but continue to operate, and are not expanded in a manner which will result in the one of the following examples are exempt from the suggested separation distance:
 - i.. Example 1: A Class D CAFO expands to a Class A or B CAFO
 - ii. Example 2: A Class B CAFO expands to a Class A CAFO.
 - iii. Example 3: A Class A CAFO expands by 10% of the number of animal units

Provided, that the expansion does not further encroach the setback/separation distance existing on **July 1, 2022** **October 1, 2024**. See Figure 1304.7.

- g. Any Concentrated Animal Feeding Operation in operation as of **July 1, 2022** **October 1, 2024** which does not comply with the suggested minimum setback/separation distance requirements is allowed to be replaced in the event of a calamity without obtaining a variance. Provided, that the replacement does not further encroach the setback/separation distance existing at the time of the calamity. See Figure 1304.7.

Discussion was had on the ordinance. The Zoning and Planning Board recommend approval to the Board of County Commissioners. The Zoning and Planning Commission adjourned and the Board of Commission held the first reading of Ordinance B2022-01-08. 5) Fieber moved, seconded by Mewherter to set 2nd reading for Ordinance B2022-01-08 on October 1st at 10:15 AM. All voted yes and the motion carried.

11:00 AM – Joint Meeting B2022-01-04A Rezoning

The Planning and Zoning Commission, Dennis Kanengieter, Mike Dahl, Mike Lammers and Jay Grabow, along with the Commissioners, held a public hearing which was held upon the request the petitioner/landowner, Lynn Farms LLC (Jon Gorder) to issue a change in zoning classification for property that is described as The remainder of the property outside the one thousand (1,000) feet of the established high-water line of Lake Cochrane in Gov Lot 1 of Section Eight (8), Township One Hundred Fourteen (114) North, Range Forty-even (47) West of the 5th P.M., Norden Township, Deuel County, South Dakota, to “LP” Lake Park District from “AG” Agricultural District.

Lynn Farms LLC (Jon Gorder) seeks the change of zoning to “LP” Lake Park District from “AG” Agricultural District, (the above described approximately 8.32 acres in Gov Lot 1 that is outside the 1000’ feet from the HWM). Which is outside the area Zoned Lake Park District. Theisen stated the subject parcel is being used at farm land and is zoned AG” Agricultural District. Theisen stated in Section 1103.02. Area Contained in “LP” District.

- All land, unless otherwise zoned, within one thousand (1,000) feet of the established normal high-water line of Lake Cochrane or any land which has been specifically zoned Lake Park by the Deuel County Commission.

The applicant, Gorder, stated the application includes a drawing for the area to be rezoned and indicated that the property (approximately S500' E800' of Gov Lot 1 9.18 +/- acres) for development. Staff has met with the applicant and was told that the proposed development would be for commercial storage facility. This would fall under in the Lake Park District under a CUP for commercial storage facilities. Gorder has met with the Lake Cochrane Sanitation District and they have provided a letter stating they are willing to sign off on the rezoning request.

Discussion was had on the request to rezone. The County Commission held the first reading of ordinance 2022-01-04A, as recommended by the Planning Commission. Grabow asked Theisen to conduct first reading. 6) Fieber moved, seconded by Grabow to set 2nd reading of Ordinance 2022-01-04A for October 1st at 10:30 AM. All voted yes and the motion carried.

11:10 AM – Zoning Officer Jodi Theisen

Theisen presented plats for the board of commission to approve. 7) Fieber moved, seconded by Mewherter to approve the “PLAT OF CHRISTIANSON SECOND ADDITION, in the Southwest ¼ of the Southeast ¼ and the Southeast ¼ of the Southwest ¼ of Section 30, T113N, R47W of the 5th P.M., Deuel County, South Dakota” and Resolution 24-25. 11:15 AM – Weed Supervisor Keith Goens

Goens reported that it has been windy so that provides tough spraying conditions. The sprayer pulled by tractor has a crack in it and will need to be replaced. They are making due for now as only water leaks from the crack. Grabow asked Goens to get some quotes and bring to another meeting for approval if it is over his spending limit. Goens reported that the State roads are done. The weed department is working on county roads and the township roads will be the last. Grabow asked if it is all spot spraying that they do and Goens confirmed. Grabow would like to know the pros and cons to spraying for the state and have Goens bring that to another meeting. Grabow mentioned after we get

the pros and cons and depending on what the verdict is, maybe we should spend more time on county roads and township roads before we contract with the state for their roads. 10) Mewherter moved, seconded by Grabow to approve the purchase of spray in the amount of \$10,723.20. All voted yes and the motion carried.

11:30 AM – Joint Meeting with Township Officials

Grabow explained that we are offering to the townships to mow their road ditches to ensure they get mowed; therefore, the correct maintenance of the roads can be done. Right now, there are some problems of weeds and grass being too tall for the road grader to efficiently pull the gravel windrow over without including grass and weeds. If the correct maintenance can't be performed, it causes the gravel windrow to be very tall and potentially dangerous. The contract price is \$40.00 an hour. If the townships are interested in having the county mow for them, they need to contact the Deuel County Highway Department.
